Subject: Fotolia - Image Declined - Intellectual Property Issues

File ID: 57975303

Title: Chicago Skyline

Hello Sandra,

We are sorry to inform you that your photo was not accepted, because it may contain elements protected by intellectual property laws. Here are some examples of commonly protected subjects:

Protected Architecture

The Superdome, New Orleans - Hollywood Sign, California - Coca Cola World, Georgia

Protected Buildings

Las Vegas Hotels, Nevada - Empire State Building, New York - Rockefeller Center, New York

Protected Designs

iPod products - Rubik's Cube ® - Lego, Duplo & Playmobile - Ferrari cars

Copyrighted Subjects

Illustrations and Characters (eg., Cartoons, comics...) - Olympic rings

Protected Places

The Lone Cypress tree, Pebble Beach - MOMA, New York (Interior and exterior) - Zoos

Works of Art or Drawings

The Cadillac Ranch, Amarillo

Logos or Trademarks

Professional Sports: Teams logos - Company logos

Recognizable Property

Cars with license plates - Unique houses

Recognizable People (without model release - voices included)

Crowds, Celebrities, Sports figures

Images, Fonts, Graphic Elements

Elements that you did not create (even small parts): whether taken from an image bank, from software, or found on internet.

These measures are in place to protect you, our contributors.

Please feel free to submit photographs that adhere to these guidelines in the future.

If you selected the free option during the upload process, your photo will not be integrated into the free section for the same reason.

Best Regards,

Team Fotolia
